

Find your distributor in USA or Canada

Fenner Dunlop produces the highest quality fabric and steel cord conveyor belts for bulk material handling applications. At Fenner Dunlop, we hold quality control in the highest regard. We ensure the integrity of our conveyor belt manufacturing by carefully monitoring each step of the production process. This starts with our unique state-of-the-art fabric weaving facility in Lavonia, GA. Production is then passed on to our conveyor belt manufacturing plants in Toledo, OH, Port Clinton, OH, and Bracebridge, Ontario.
